

# WAITING WELL WEEK 4

## God's Dreams for You

*What do we want you to know?*

We spoke previously about aligning our desires with God's desires. God's desires are his dreams for you, and we want to yield to his dreams because his dreams are big dreams.

### *Discussion Questions*

Invite the Holy Spirit into this time together, then answer the questions below:

1. Share about a time when the door to your dreams slammed shut. What did you do? How did you react?
2. What do you imagine when we say "yield to God's dreams for you"?
3. Are you feeling frustrated about anything in life? How can you give it to the Lord?
4. What kind of big dreams do you think God may have for you?

*What do we want you to do?*

As you prepare for Christmas, learn to yield to the Lord and relax in his dreams for you. Let God be God for the week. Relax and enjoy Christmas.
